# NATHCORP

We create opportunity – for Clients, for Technology, for People

Is your Team environment secure? How do you know?

## Microsoft Teams Risk Assessment

# The Client Challenge

- “Work Form Home” (WFH) is ramping significantly due to COVID-19, impacting Teams usage
  - Active user count is increasing
  - Document sharing is increasing
  - Voice and video conferencing is being used in unique and different ways
  - Mobile device usage is increasing substantially
- Clients are concerned about the evolving and ever-changing Use Cases
  - Is security compromised?
  - Does usage continue to meet defined governance policies?
  - How many active users do I have?
  - What are they doing?
